In the state's northwest quadrant, the Shreveport area is home to some of Louisiana's best southern cuisine, casinos, culture, and music. This vibrant city offers many destinations for both residents and tourists to enjoy. You can spend an exciting day at the Gallery of Intrigue, Sci-Port Discovery Center, which features an escape room and a board game. Another thrilling attraction is the Gators and Friends Adventure Park, which will delight the entire family. You can zip through an alligator-infested lagoon, race on the go-kart track, or feed and pet the park's zoo animals.

Residents love living in Shreveport because of its low cost of living and delicious food. If you are considering relocating to

this city, then get to know five of the best general contractors in Shreveport, Louisiana. These contractors were selected for their skilled craftsmanship, extensive expertise, and ability to guarantee customer satisfaction.

Martin Signature Homes

8990 Mansfield Road Shreveport, LA 71118

Contact

Martin Signature Homes was formally established in 2002, but the firm has decades of experience in the custom home building industry. The firm has completed exceptional projects in the Shreveport and Bossier City areas. Over the years, the firm has remained consistent in providing unique designs that are tailored to the client’s needs and preferences. It focuses on building solid relationships with clients by listening and exchanging thoughts and ideas to accurately bring their vision to life. The firm’s ability to deliver outstanding projects on schedule and on budget has earned a lengthy list of satisfied clients who have experienced a smooth and seamless construction experience.

The firm is accredited by several prestigious organizations, including NAHB, Home Builders, BBB, Arkansas Home Builders Association, Texas Association of Builders, and East Texas Builders Association. One of the firm’s notable projects is this

Best Bathroom Remoc in Raleigh (2024)

Best Bathroom Remoc in Cary (2024)

Best Kitchen Remodel Garner (2024)

custom home in Shreveport, Louisiana. Aiming for French colonial architecture, the firm designed a balanced and symmetrical structure. Its full porches, balconies, and steep and sloping roof added to the sleek and sophisticated feel of the home. The large windows and double French doors complete the overall look.

Jackson Construction

111 Freestate Blvd., Shreveport, LA 71107

Contact

Jackson Construction has offered outstanding general contractor services in Shreveport, Louisiana, for over thirty years. The firm has earned an excellent portfolio of diverse projects, including commercial and residential construction, room addition, and remodeling. It provides a superior client experience and delivers remarkable projects that are low-cost yet of superior quality. The firm manages each intricate detail of the project through its expert team of highly skilled craftsmen. No matter the project type or size, the firm has proven its ability to build a plan, establish a strategy, and provide spectacular finished results that consistently exceed expectations.

One of the firm's notable projects is this kitchen remodel in New Orleans. The firm implemented a U-shaped layout to create a streamlined workflow and additional workspace. It combined a

unique mix of classic and modern elements to create a clean, sleek, and sophisticated space. Its medium-tone wooden floor contrasts its white cabinetry, subway backsplash, stainless steel appliances, and granite countertop.

Terry Elston Builder

6800 Querbes, Shreveport, LA 71106

Contact

uSince 1976, Terry Elston Builder has provided general contracting services specializing in custom homes and remodels in Shreveport, Bossier, and northwest Louisiana. With an impressive forty-five years of construction experience, the firm has earned a well-deserved reputation for high-quality craftsmanship. The firm focuses on building reliable relationships with the finest quality vendors, subcontractors, and trade partners to ensure every project is done with the best materials, latest technologies, and creative building techniques. With a team of experts who are passionate about creating unique projects that reflect each client's lifestyle and personality, the firm manages each project with a personalized approach and meticulous attention to detail. It has earned many positive reviews from satisfied clients whose expectations have been exceeded.

The firm collaborated with Dick Clark Architecture, Commercial

contractor CC&D, to build this stunning custom farmhouse. Terry Elston's scope of work included the completion of all of the interior finishing work and external projects including ledge stone, copper siding, stone floors on patio areas, painting, and an antique wood beam carport.

Duggan Contractors

6030 Line Ave., STE 350, Shreveport, LA 71106-2087

Contact

Duggan Contractors provides full-service general construction and offers its services across Shreveport, Bossier City, and Benton. Since 1982, the firm has established its reputation as one of the leading firms in the area. It understands that keeping open communication with its clients is the key to successful project delivery. It has since developed its streamlined processes to ensure a smooth construction experience for its clients. The firm provides a one-stop solution for its clients, including collaborations with notable designers to accurately transform a simple idea into a remarkable project. With a staff that brings a combined eighty years of expertise to the table, the firm is confident in its ability to deliver high-quality projects that guarantee customer satisfaction.

The firm's impressive portfolio contains a wide variety of styles, including traditional and contemporary. One of their projects

include a remodel of a kitchen in South Shreveport. The team installed all the cabinetry and created a kitchen island. The only original part of the kitchen was the brick floor which remained unaltered.
